Honolulu, T. H., April 22nd, 1902.

Pacific Hardware Co., Ltd., Honolulu, T. H.

DEAR SIR:—The presence of the horn-fly pest in my herd of milch cows has been a cause of serious apprehension to me, both on account of the consequent deterioration in the condition of the cattle and the reduced production of milk. I am pleased to inform you that the application of the So-Bos-So Kilfly, which I purchased from you a few days since, has already resulted in a decided improvement in the condition of the cattle, as well as an increase of 20 per cent in the quantity of the milk produced, before the application of the Kilfly. Very truly yours,

PAUL R. ISENBERG.

So-Bos-So Kilfly Is a Liquid Mixture

designed to protect cows and horses from torture of flies. The preparation is positively harmless. It is used with splendid results as a disinfectant and germicide. The Electric Sprayer discharges the So-Bos-So (Kilfly) in a fine, broad spray. From 30 to 50 cows can be sprayed in a few moments. The Electric sprayer is detachable, and thus may be thoroughly cleaned. If your animals are troubled with lice, use So-Bos-So (Kilfly). It knocks them out. Spray your poultry house with So-Bos-So (Kilfly). It kills lice or any vermin that may infect the fowls. Sufferers from the Horn Fly should give Kilfly a trial. We are sole agents for the Territory of Hawaii.

WILL PASS NEW RULES

Republicans Plan Hard Work Now.

When the Republican Central Com-
mittee meets this evening there will
be some hard work before the meet-
ing. The rules for the government of
the party which have been approved in
detail in committee will be discussed
and passed as a whole. This will mean
the securing of a two-thirds vote in fa-
vor of the rules, which failing will
mean that the rules will not go through
at present.

There may be a fight yet over one
paragraph of the rules, which was the
subject of much discussion when the
first draft was under consideration.
There is an element in the committee
which still believes that the proper
course is the placing of a pledge in
the rules, so that there may be no fail-
ure to make each of the members of
the precinct club sign the agreement
to be a Republican, before he is per-
mitted to take part in the primary.

Should this subject again come up
there will be a long fight before the
motion to reconsider is adopted. There
will be made a strong effort to have
the entire list approved, however, and
the present outlook is that the rules
will be passed as now proposed.

There is a great desire on the part of
the membership of the committee to
have this consummation, owing to the
fact that the work of organization will
have to begin very soon. According to
the rules there will be a meeting of
the Republicans of each precinct for
the purpose of forming a club on the
first Friday of June, which is June 6,
only two weeks in the future. It is
the desire of the committee to have the
work go on.

The election of a committeeman to fill
the vacancy in the Fifth district will
be a matter of some moment. There
are several names mentioned for the
place. An effort has been made to fill
the place by the retiring committeeman
himself, but there is said to be some
hitch. Among the many candi-
dates are said to be Judge Wilcox, Wil-
liam Mutch, James Holt, Warden
Henry and W. C. Achi.

TRAINERS AND HORSES RESTED

Things were as slow at the race track
yesterday as they were rapid on Wed-
nesday, and trainers as a rule did lit-
tle else but jog their charges.

There were a few exceptions, however,
and among them the green trotter Oak
Grove, who moved a mile very easily
in 2:30½. He put in another heat in
2:41½.

Wait-a-Little worked heats in 2:33
and 2:40.

Judd drove Dusty Rhodes heats in
2:37½, 2:40 and 2:41½.

The only runner to do anything like
work was General Cronje, who romped
a mile in 1:50.

George S. McKenzie will come down
from Hilo tomorrow week and will
probably be accompanied by Messrs.
O'Rourke and McLennan, the owners
of Carter H. Harrison, Jr., and Re-
jected.

Tom King is giving Edith R., the
winner of last year's Hawaiian-bred
trotting and pacing race, occasional
work on the track. Should anything go
wrong with his Creole candidate for
this year's race, Edith R. will act as
his second string and will again oppose
Tom Hollinger's Leah.

The pacer Tramp is now stabled at
the track in care of C. H. Judd.

Bob Ballentine's two runners are
stabled at George Patterson's old place,
which makes ideal training quarters.
Molly Connors has filled out consider-
ably since last season and looks re-
markably well. She will probably be
sent for the half mile and five-furlong
races. Old Amario is also looking well
and, judging from his appearance, the
evergreen horse feels as young as ever.

They are not being worked very hard
for their owner is opposed to training
horses for a day's racing, as if they
were being conditioned for a long cam-
paign. He also figures that if a break-
down occurs after a race is won, the
purse is to some extent a solatium,
whereas a horse gone wrong in train-
ing means an owner out and injured.

BAILEY CYCLERY IN BANKRUPTCY

A petition in involuntary bankruptcy
was filed yesterday against Bailey's
Honolulu Cyclery Co. by San Fran-
cisco creditors. The claimants in the
petition are W. W. Montague & Co. of
San Francisco, \$1049.21; Dunham, Car-
rigan & Hayden Co. of San Francisco,
\$858.61; Holbrook, Merrill & Stetson of
San Francisco, \$369.31, and the Boston
Wovee Hose & Rubber Co. of San
Francisco, \$131.92.

It is alleged that the said Bailey's
Honolulu Cyclery Co. committed acts
of bankruptcy within four months of
the time of filing the petition, in that
on January 25, 1901, it concealed and
removed certain property, to-wit, cash
amounting to \$303.35, and between that
date and February 28, concealed other
sums amounting to \$400; on March 3
transferred \$27.50 and on March 10 the
sum of \$25, having transferred these
sums to J. S. Bailey with the intent to
prefer such creditor over its other credi-
tors.

The hearing of the petition is set for
June 10.
